For your Daily Mile Class!

DIY Class BINGO INSTRUCTIONS

1. Download and print as many copies of the blank BINGO card that you'll need.
2. Draw or write in the activities you'd like to use. You may also choose to allow your students to create their own activities.
3. Provide a special treat to students when the activities are crossed off in a row (up and down, across, or diagonally). Visit thedailymile.us/resources for no-cost-to-you Classroom Reward Coupons for ideas.
4. Repeat the game as many times as you'd like to encourage your students to stay active!
